

310933

THE STATE OF TEXAS)
COUNTY OF MONTGOMERY)

Vol. 505 pg. 217

KNOW ALL MEN BY THESE PRESENTS: DEEDS

That Corinthian Point, Ltd., a Texas Limited Partnership, having its principal place of business in Houston, Harris County, Texas (hereinafter called the "Developer"), being the owner of that certain tract of land described on Exhibit "A", which is annexed hereto, incorporated by reference herein and made a part hereof for all purposes, a portion of which has heretofore been platted into that certain subdivision known as "Corinthian Point, Section Four", according to the plat of said subdivision recorded in the Office of the County Clerk of Montgomery County, Texas, on February 11, 1971 after having been approved as provided by law, and being recorded in Volume , , Page , of the Map Records of Montgomery County, Texas, and desiring to create and carry out a uniform plan and scheme for the improvement, development and sale of property in said Corinthian Point, Section Four (herein referred to as "the Subdivision"), does hereby adopt, establish, promulgate and impress the following Reservations, Restrictions and Covenants, which shall be and are hereby made applicable to the Subdivision:

GENERAL PROVISIONS

APPLICABILITY

1. Each Contract, Deed or Deed of Trust which may be hereafter executed with respect to any property in the subdivision shall be deemed and held to have been executed, delivered and accepted subject to all of the provisions of this instrument, including, without limitation, the Reservations, Restrictions and Covenants herein set forth, regardless of whether or not any of such provisions are set forth in said Contract, Deed or Deed of Trust, and whether or not referred to in any such instrument.

DEDICATION

2. The streets and roads shown on said recorded plat are dedicated to the use of the public. The utility easements shown thereon are dedicated subject to the reservations hereinafter set forth.

RESERVATIONS

IVB 505 M 218

b. a. The utility easements shown on the recorded plat are dedicated with the reservation that such utility easements are for the use and benefit of any public utility operating in Montgomery County, Texas, as well as for the benefit of the Developer and the property owners in the Subdivision to allow for the construction, repair, maintenance and operation of a system or systems of electric light and power, telephone lines, gas, water, sanitary sewers, storm sewers and any other utility or service which the Developer may find necessary or proper. Provided, however, all such easements specifically dedicated for a certain purpose may not be used for any other purpose without the expressed consent of the Developer. No fence or any other structure shall be constructed on or across utility easements shown on the recorded plat as would unduly interfere with the construction, repair, maintenance and operation of such utility systems.

b. The title conveyed to any property in the Subdivision shall not be held or construed to include the title to the water, gas, electricity, telephone, storm sewer or sanitary sewer lines, poles, pipes, conduits or other appurtenances or facilities constructed by the Developer or public utility companies upon, under, along, across or through such public utility easements; and the right (but not the obligation) to construct, maintain, repair and operate such systems, utilities, appurtenances and facilities is reserved to the Developer, its successors and assigns.

c. The right to sell or lease such lines, utilities, appurtenances or other facilities to any municipality, governmental agency, public service corporation or other party is hereby expressly reserved to the Developer.

d. The Developer reserves the right to make such changes in and additions to the utility easements and drainage areas as may be necessary for the purpose of more efficiently serving the subdivision or any property therein.

e. Neither the Developer, nor its successors or assigns, using said utility easements shall be liable for any damage done by any of such parties or any of their agents or employees to shrubbery, trees, flowers or other property of the land owner.

215
1805
mg

situated on the land covered by said utility easements.

f. The Developer reserves the right to maintain the green areas shown on the recorded plat. The Developer further reserves the right to improve and landscape, any one or more of such green areas at any time, and from time to time, hereafter; provided, however, such green areas may not at any time be used for playground or picnic areas and may not be improved for that purpose.

g. The Developer reserves the right at any time, and from time to time, hereafter to promulgate and impose restrictions (as well as vary and amend any such restrictions) as to all or any portion of the unplatteed reserve, or unrestricted areas of the Subdivision identified on the aforesaid plat. Any such action by the Developer shall not, in order to be fully binding, require the joinder of any other person, whether such person be an owner of property in the Subdivision, a lienholder, a mortgagee, a Deed of Trust beneficiary or any other person.

h. Until such time as water and sewer taps are made for each separate residential lot, and water and sewer service is commenced, there shall be levied against every individual residential lot, severally, a standby charge not to exceed \$7.50 per month. Such charge shall be fixed from time to time by the Board of Directors of the utility district, to be created on the property, which charge shall be due and payable in monthly installments in advance, and the payment of such standby charge or charges shall be and is secured by a vendor's lien to be retained in the deed or deeds conveying each such lot or lots. Such standby charge, the liens securing the payment thereof, and the right and responsibility for the enforcement thereof are hereby assigned without recourse to the utility district in consideration of its furnishing or proposing to furnish such water and sewer service to such residential lot or lots. Such charge, and all liens securing the payment thereof, shall be released and discharged automatically (without further action) on any lot upon the conveyance of any lot to the initial person or persons who will reside on the property and the completion of a dwelling or residence on the property. Such completion may be evidenced by the creation and recordation of the first lien mortgage or deed of trust on the improved property or by the execution of a release by the Board of Directors of the utility district of the vendor's lien created hereunder to secure the standby charge.

DURATION

4. The provisions hereof, including the Reservations, Restrictions and Covenants herein set forth, shall run with the land and shall be binding upon the Developer, its successors and assigns, and all persons or parties claiming under it or them for a period of thirty-five (35) years from the date hereof, at which time all of such provisions shall be automatically extended for successive periods of ten (10) years each, unless prior to the expiration of any such period of thirty-five (35) years or ten (10) years, the then owners of a majority of lots in the Subdivision shall have executed and recorded an instrument changing the provisions hereof, in whole or in part, the provisions of said instrument to become operative at the expiration of the particular period in which such instrument is executed and recorded, whether such particular period be the aforesaid thirty-five (35) year period or any successive ten (10) year period thereafter.

ENFORCEMENT

5. In the event of any violation or attempted violation of any of the provisions hereof, including any of the Reservations, Restrictions or Covenants herein contained, enforcement shall be authorized by any proceedings at law or in equity against any person or persons violating or attempting to violate any of such provisions, including proceedings to restrain or prevent such violation or attempted violation by injunction, whether prohibitive in nature or mandatory in commanding compliance with such provisions; and it shall not be a prerequisite to the granting of any such injunction to show inadequacy of legal remedy or irreparable harm. Likewise, any person entitled to enforce the provisions hereof may recover such damages as such person has sustained by reason of the violation of such provisions. It shall be lawful for the Developer or for any person or persons owning property in the Subdivision (or in any other Section of Corinthian Point, to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any of such provisions.

is prevented by war, strike or Act of God), any dwelling commenced shall be completed as to its exterior, and all temporary structure will be removed.

c. These requirements for approval as herein set out cover not only the residence to be constructed in the Subdivision, but all piers and other structures built in the water as well as on the land, and also apply to any retaining wall and any significant moving of soil in or out of the water.

ARCHITECTURAL CONTROL AUTHORITY

2. a. The authority to grant or withhold architectural control approval as referred to above is vested in the Developer; except, however, that such authority of the Developer shall cease and terminate upon the election of the Corinthian Point Architectural Control Committee, (provided for in b, below), in which event such authority shall be vested in and exercised by the Corinthian Point Architectural Control Committee, hereinafter referred to, except as to plans and specifications and plats theretofore submitted to the Developer which shall continue to exercise such authority over all such plans, specifications and plats.

b. At such time as 90% of the lots in the Subdivision and in all other Sections of Corinthian Point (as platted, from time to time, hereafter) shall have been sold by the Developer, or sooner at the election of the Developer, then the Developer shall cause a statement of such circumstances to be placed of record in the Deed Records of Montgomery County, Texas. Such statement shall name the then acting President, Vice President, and Secretary-Treasurer of the Corinthian Point Yacht and Racquet Club who shall then become the Corinthian Point Architectural Control Committee. Such officers successors in office shall thereafter act as such committee. Provided, however, any one or more interested lot owners may call an election to designate a separate Corinthian Point Architectural Control Committee of three (3) lot owners in which event the said officers of Corinthian Point Yacht and Racquet Club shall no longer act as such committee (either group is hereinafter referred to as the "Committee"). In the event of such an election each lot owner shall be entitled to one (1)

Vote for each lot owned by that owner.

Any owner may appoint a proxy to cast his ballot in such election, provided that his written appointment of such proxy is attached to the ballot as a part thereof. The results of each such election shall promptly be determined on the basis of the majority of those owners then voting in such election.

The election Committee shall continue to act until requested in writing to call an election by thirty (30) or more lot owners in the Subdivision. Members of the Committee may, at any time, be relieved of their position and substitute members therefor designated by vote as set forth above.

Upon the death, resignation, refusal or inability of any elected member of the Committee to serve, the remaining members of the Committee shall fill the vacancy by appointment or call an election to designate a new committee member within 30 days.

If the Committee should fail or refuse to take any action herein provided to be taken by the Committee with respect to setting elections, conducting elections, counting votes, determining results and evidencing such results, or naming successor Committee members, and such failure or refusal continues for a period which is unreasonably long (in the exclusive judgment of the Developer), then the officers of Corinthian Point Yacht and Racquet Club may validly perform such function.

c. The members of the Committee shall be entitled to compensation for services rendered and reimbursement for reasonable expenses incurred. All such sums payable as compensation and/or reimbursement shall be payable only out of the "Maintenance Fund", hereinafter referred to.

EFFECT OF INACTION

d. Approval or disapproval as to architectural control matters as set forth in the preceding provisions shall be in writing. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plat submitted to it in compliance with the preceding provisions within thirty (30) days following such submission, such plans and

Vol. 505 No. 224

specifications and plat shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plat and all of the other terms and provisions hereof.

EFFECT OF APPROVAL

4. The granting of the aforesaid approval shall constitute only an expression of opinion, whether by the Developer or the Committee, that the terms and provisions hereof shall be complied with if the building and/or improvements are erected in accordance with said plans and specifications and plat; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plat or in the event that such building and/or improvements are constructed in accordance with such plans and specifications and plat, but, nevertheless, fail to comply with the provisions hereof. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof.

III

DESIGNATION OF TYPES OF LOTS

1. Those lots in the Subdivision numbered 432 thru 446 as shown on the recorded plat are hereby designated and classified "Lakefront Lots".

2. Those lots in the Subdivision numbered 379 thru 431 and 447 thru 468 as shown on the recorded plat are hereby designated and classified "View Lots".

3. The "General Restrictions" set forth in IV below shall be applicable to all types of lots in the subdivision hereinabove enumerated and designated. The "Special Restrictions" set forth in V below shall, in addition to the General Restrictions, apply to the particular type of lots in the Subdivision so indicated.

GENERAL RESTRICTIONS

1. No building shall be erected, altered or permitted to remain on any lot other than one (1) detached single-family residential dwelling not to exceed two (2) stories in height and a private garage (or other covered car parking facility) for not more than three (3) automobiles and other than bona fide servants' quarters; provided however, that the servants' quarters structure shall not exceed the main dwelling in area, height or number of stories. For purposes of this instrument, the word "lot" shall not be deemed to include any portion of the following areas shown on the recorded plat: any esplanade; park; alley; and unrestricted area shown on the plat; and those portions shown on the recorded plat which are not hereafter designated by the Developer as home sites, such portions which are not so designated as home sites, being referred to as "Green Area".

2. The living area of the main residential structure (exclusive of porches, whether open or screened, garage or other car parking facility, terraces, driveways and servants' quarters) shall be not less than the following respective amounts for each of the designated particular types of lots:

Lakefront Lots: 2,100 sq. ft. for one-story dwelling; 2,400 sq. ft. for a two-story dwelling authorized by the Developer or Committee;

View Lots: 1,500 sq. ft. for a one-story dwelling 2,000 sq. ft. for a two-story dwelling;

3. a. No building shall be located on any lot nearer to the front street line or nearer to the street side line than the minimum building set-back lines shown on the aforesaid plat (designated thereon as "B.L."). Subject to the provisions of Paragraph 4, no building shall be located nearer than five (5) feet to an interior side lot line, except that a garage or other permitted accessory building located forty (40) feet or more from the front lot line may be a minimum distance of three (3) feet from an interior side

lot line. For the purpose of this covenant, eaves, steps and un-roofed terraces shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of the construction on a lot to encroach upon another lot.

b. No structure shall be placed on any lot which (by reason of high walls or fences, excessive height, specially peaked roof design, location on lot, etc.) unreasonably will obscure the view of Lake Conroe from a dwelling located or reasonably to be located upon an abutting lot (and for this purpose "abutting lot" includes a lot separated only by a street). The decision of the Developer or Committee in this matter shall be final.

4. Any owner of one or more adjoining lots (or portions thereof) may consolidate such lots or portions into one building site, with the privilege of placing or constructing improvements on such resulting site, in which case side set-back lines shall be measured from the resulting side property lines rather than from the lot lines as indicated on the recorded plat. Any such composite building site must have a frontage at the building set-back line of not less than the minimum frontage of lots in the same block. Any such composite building site (or building site resulting from the remainder of one or more lots having been consolidated into a composite building site) must be of not less than nine thousand (9,000) square feet in area (and this shall supersede any contrary provision in the Subdivision plat). Any modification of a building site (changing such building site from either a single lot building site or from a multiple whole lot building site), whether as to size or configuration, may be made only with the prior written approval of the Developer until the Committee is selected and thereafter, only with the prior written approval of the Committee. Upon any such required approval having been obtained, such composite building site shall thereupon be regarded as a "lot" for all purposes hereunder, except, however, that for purposes of voting for the Committee (as provided under Paragraph 2. b. of II above), an owner shall be entitled to one(1) vote for each whole lot within such owner's building site.

5. All lots in the Subdivision shall be used only for single-

family residential purposes. No noxious or offensive activity of any sort shall be permitted, nor shall anything be done on any lot which may be or become an annoyance or nuisance to the neighborhood. No lot in the Subdivision shall be used for any commercial, business or professional purpose nor for church purposes. The renting or leasing of any improvements thereon or portion thereof, without the prior written consent of Developer or Committee, is prohibited. No house trailer, camper trailer, camper vehicle or motor vehicle (or portion thereof) or any mobile type home or moveable pre-fabricated home shall be lived in on any lot. The Developer or Committee reserves the right to control the parking of all types of vehicles and trailers on all streets in the Subdivision.

6. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, except, however, that a garage may contain living quarters for bona fide servants and except also that a field office, as hereinafter provided, may be established.

Until the Developer has sold all other lots in Corinthian Point (and during the progress of construction of residences in the Subdivision), a temporary field office for sales and related purposes may be located and maintained by the Developer (and/or its sales agents). The location of such field office may be changed, from time to time, as lots are sold. The Developer's right to maintain such field office (or permit such field office to be maintained) shall cease when all lots in Corinthian Point, except the lot upon which such field office is located, have been sold.

7. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other common household pets may be kept as household pets provided they are not kept, bred or maintained for commercial purposes and provided they do not constitute a nuisance and do not, in the sole judgment of the Developer or Committee constitute a danger or potential or actual disruption of other lot owners, their families or guests.

8. Where a wall, fence, planter or hedge is not specifically prohibited hereunder, the following (as to any permitted wall, fence

planter or hedge) shall apply: No wall, fence, planter or hedge in excess of two (2) feet high shall be erected or maintained nearer to the front lot line than the front building set-back line, nor on corner lots nearer to the side lot line than the building set-back line parallel to the side street. No rear fence, wall or hedge and no side fence, wall or hedge located between the side building line and the interior lot line (or located on the interior lot line) shall be more than six (6) feet high. Any structure permitted under this paragraph may be prohibited by the Developer or Committee (whose decision shall be final) if such improvement or structure will unreasonably obscure the view of Lake Conroe from a dwelling located or reasonably to be located upon an abutting lot (and for this purpose "abutting lot" includes a lot separated only by a street).

No object or thing which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways within the triangular area formed by intersecting street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines (or extensions thereof) shall be placed, planted or permitted to remain on corner lots.

9. The drying of clothes in public view is prohibited, and the owners or occupants of any lots at the intersection of streets or adjacent to green areas, alleys or other facilities where the rear yard or portion of the lot is visible to the public, shall construct and maintain a drying yard or other suitable enclosure to screen drying clothes from public view.

10. All lots shall be kept at all times in a sanitary, healthful and attractive condition, and the owner or occupant of all lots shall keep all weeds and grass thereon cut and shall in no event use any lot for storage of material (or equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted), nor permit the accumulation of garbage, trash or rubbish of any kind thereon, and shall not burn any garbage, trash or rubbish. All clothes lines, yard equipment or storage piles shall be kept screened by a service yard, drying yard or other similar facility as herein otherwise provided,

so as to conceal them from view of neighboring lots, streets or other property. No boats, trucks, trailers or unsightly vehicles shall be stored on any lots or drives, except in enclosed garages or storage facilities protected from the view of the public or other residents of the Subdivision.

In the event of default on the part of the owner or occupant of any lot in observing the above requirements or any of them, such default continuing or reoccurring after ten (10) days written notice thereof, the Developer (until the Committee is selected, and thereafter, the Committee) may, without liability to the owner or occupant in trespass or otherwise, enter upon (or authorize one or more others to enter upon) said lot, and cause to be cut, such weeds and grass, and remove or cause to be removed such garbage, unsightly vehicles, or trash and rubbish and do any other thing necessary to secure compliance with these restrictions, so as to place said lot in a neat, attractive, healthful and sanitary condition, and may charge the owner or occupant of such lot for the reasonable cost of such work and associated materials. The owner or occupant, as the case may be, agrees by the purchase or occupation of the property to pay such statement immediately upon receipt thereof; however, the payment of such charge is not secured by any nature of lien on the property.

11. Before initial residential occupancy, no sign, advertisement, billboard or advertising structure of any kind may be erected or maintained on any lot in the Subdivision without the prior approval of the Developer or Committee; and any such approval which is granted by the Developer or Committee may be withdrawn at any time by the Developer or Committee, in which event, the party granted such permission shall, within the period designated by the Developer or Committee (which in no event shall be less than five (5) days), thereupon remove same. After initial residential occupancy of improvements on any particular lot in the Subdivision, no sign, advertisement, billboard or advertising structure of any kind other than a normal for-sale sign approved by the Developer or Committee as to design, not exceeding two feet by three feet (2' x 3') erected on a post in the ground, and applicable to such lot alone, may be

erected or maintained on such lot.

The Developer until the Committee is selected, and thereafter, the Committee, shall have the right to remove and dispose of any such prohibited sign, advertisement, billboard or advertising structure which is placed on any lot, and in so doing shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal nor in any way be liable for any accounting or other claim by reason of the disposition thereof.

12. The digging of dirt or the removal of any dirt from any lot is expressly prohibited except as necessary in conjunction with the landscaping of or construction on such lot. No growing trees 3" or more in diameter measured at a point 12" from the ground shall be cut from any lot without the prior approval of the Developer or Committee except to provide room for construction of improvements or to remove dead or unsightly trees.

13. No outside aerial, pole or other device shall project above the highest ridge of the house by more than fifteen (15) feet without prior approval of the Developer or Committee.

14. No lot or other portion of Corinthian Point shall be used or permitted for hunting or for the discharge of any pistol, rifle, shotgun, or any other firearm, or any bow and arrow or any other device capable of killing or injuring.

15. Driveways shall be entirely of concrete (except however, some other material may be used with the prior permission of the Developer or Committee) and shall be constructed with a minimum width of nine (9) feet with expansion joints not more than twenty (20) feet apart, with one joint at the back of the street wearing surface. The width of each driveway shall flair to a minimum of sixteen (16) feet and be constructed in such manner that the driveway may be at least four (4) inches thick at its end toward the street paving, and this extreme shall be poured against a horizontal form board to reduce the unsightly appearance of a ravelling driveway.

16. Walks from the street to the residence and walks parallel to the street shall have a minimum width of four (4) feet and shall

be constructed entirely of concrete (except however, that some other material may be used with the prior consent of the Developer or Committee).

17. No outside toilets will be permitted, and no installation of any type of device for disposal of sewage shall be allowed which would result in raw or untreated or unsanitary sewage being carried into any water body. No septic tank or other means of sewage disposal may be installed unless approved by the proper governmental authorities having jurisdiction with respect thereto and the Developer or Committee.

18. No oil drilling, oil development operations, oil refining, or mining operations of any kind shall be permitted upon any lot, nor shall any wells, tanks, tunnels, mineral excavations or shafts be permitted upon any lot. No derrick or other structure designed for use in boring for oil, or natural gas, shall be erected, maintained or permitted on any building site. At no time shall the drilling, usage or operation of any water well be permitted on any lot without the expressed consent of the Developer or Committee.

19. Drainage structures under private driveways shall always have a net drainage opening area of sufficient size to permit the free flow of water without backwater and, in no event, shall be smaller than eighteen (18") inches in diameter.

20. All property owners, members of their families and their guests, shall have the exclusive right of ingress and egress to the lake through the green areas on Lake Point Drive adjacent to LakeConroe as shown on the Subdivision plat. The right shall extend to and include the owners of lots within Section Four of the Corinthian Point Subdivision as well as other sections developed by the Developer from lands contiguous to or in the vicinity of the said Corinthian Point Subdivision. All such alleys, green areas and improvements shall be available for use by such property owners, their families and guests, at their own risk. When 90% of the lots in all Sections of Corinthian Point Subdivision have been sold, or sooner at the election of the Developer, Developer may transfer title to all

alleys, green areas, esplanades, and other community areas to the Corinthian Point Yacht and Country Club or to a civic organization active in the area, after which the operation of and maintenance and payment of taxes on such alleys, green areas, esplanades, and other community areas shall be the responsibility of such transferee.

21. The property included in the Subdivision is subject to (i) all terms, provisions and reservations of record, including the terms described in those certain deeds in favor of The San Jacinto River Authority of record, in Volume 602, Pages 321, 331, 341, 351, 361 & 371, respectively, Montgomery County Deed Records, to which deed and their record thereof reference is hereby made for all purposes and (ii) the authority of any governmental agency claiming jurisdiction.

22. When underground utility services shall be available for said lots, no above surface utility wires will be installed outside of any structure. Underground utility service lines shall extend through and under said lots in order to serve any structure thereon, and the area above said underground lines and extending 2½ feet to each side of said underground line shall be subject to excavation, refilling and ingress and egress for the installation, inspection, repair, replacing and removing of said underground facilities by such utility company; and owners of said lots shall ascertain the location of said lines and keep the area over the route of said lines free of excavation and clear of structures, trees or other obstructions.

V.

SPECIAL RESTRICTIONS

1. In addition to the General Restrictions set forth in IV, above, the following restrictions shall apply to Lakefront lots and green areas adjacent to Lake Conroe:

a. No pier, dock, bulkhead, launch ramp or other structure shall be permitted without prior approval of the Developer or Committee. The Developer further reserves the right to construct any bulkhead if such construction appears to the Developer to be wise or necessary. In the event of the damage, destruction or other failure of a bulkhead or pier abutting any lot in such a manner as to adversely affect any other lot in the Subdivision, and the

owner fails to repair such bulkhead or pier, then the Developer or Committee shall have the right, but not the obligation, to repair such bulkhead or pier and to assess the owner of the lot for all costs and expenses incurred in connection therewith. In the event of such assessment, any cost so expended by the Developer or Committee shall be due and payable, on demand, by the owner of the property so affected, to the Developer or Committee.

b. Any garage must be attached to the main residence and must not be nearer to the lakeshore than the main residence itself.

c. Without the expressed written approval of the Developer or Committee, only one story dwellings will be allowed.

VII.

CORINTHIAN POINT YACHT AND RACQUET CLUB MEMBERSHIP

Each person acquiring property in the Subdivision (whether acquiring same initially or upon resale) must first apply and be accepted for membership in the Corinthian Point Yacht and Racquet Club, and must remain a member in good standing as long as they own property in the Subdivision. It is contemplated that the Club facilities will include tennis courts, a swimming pool, and appropriate club quarters. After the Developer has sold 90% of lots in all Sections of Corinthian Point Subdivision, or sooner at the election of Developer, the club officers will act as the Corinthian Point Architectural Control Committee (subject to II, 2.b, above) and will be charged with administration of the Maintenance Fund provided for below.

VIII.

MAINTENANCE FUND

1. Each lot (or residential building site) in the Subdivision shall be and is hereby made subject to an annual Maintenance Fund charge (hereafter referred to as the "Maintenance Fund"), except as otherwise hereinafter provided.

2. The Maintenance Fund referred to shall be used to create a fund to be known as the "Maintenance Fund"; and each such Maintenance Fund charge shall (except as otherwise hereinafter provided) be paid by the owner of each lot (or residential building

Vol 505-234
site) annually, in advance, on or before January 1st of each year,
beginning in 1974.

3. The exact amount of each Maintenance Fund charge will be determined by the Developer or Committee during the month preceding the date of said Maintenance Fund charge. All other matters relating to the assessment, collection, expenditure and administration of the Maintenance Fund shall be determined by the Developer or Committee.

In addition to the Maintenance Fund charge herein referred to each lot shall be subject to a monthly charge of \$3.50 for street lighting service; such charge will be included in the monthly bill from Gulf States Utilities Company to such lot owner and shall be in addition to all other charges which such lot owners may incur for electric service.

4. The Maintenance Fund charge shall not, without the consent of the Developer, apply to lots owned by the Developer or owned by any person, firm, association or corporation engaged primarily in the building and construction business which has acquired title to any such lots for the sole purpose of constructing improvements thereon and thereafter selling such lots; however, upon any such sale of such lots by such persons, firm, association or corporation to a purchaser whose primary purpose is to occupy and/or rent and/or lease such lot (and improvements thereon, if any) to some other occupant, then the Maintenance Fund charge shall thereupon be applicable to such lot; and the Developer hereby consents to the applicability of the Maintenance Fund charge to each such lot under the circumstances herein stated. Any transfer of title to any lot by any such person, firm, association or corporation engaged primarily in the building and construction business to a transferee engaged primarily in the building and construction business shall not result in the applicability of the Maintenance Fund charge to such lot owned by the transferee or any succeeding transferee primarily engaged in the building and construction business without the consent of the Developer. The Developer reserves the right at all times, in his own judgment and discretion, to exempt any lot in the Subdivision from the Maintenance Fund charge, and exercise of such judgment and discretion when made in good faith shall be binding and conclusive.

on all persons and interests. The Developer shall have the further right at any time, and from time to time, to adjust, alter or waive said Maintenance Fund charge from year to year as it deems proper;

4. Developer shall have the right at any time to discontinue or abandon such Maintenance Fund charge, without incurring liability to any person whomsoever by filing a written instrument in the office of the County Clerk of Montgomery County, Texas, declaring such discontinuance or abandonment.

5. The Maintenance Fund charges collected shall be paid into Maintenance Fund to be held and used for the benefit, directly or indirectly, of the Subdivision; and such Maintenance Fund may be expended by the Developer or Committee for any purposes which, in the judgment of the Developer or Committee will tend to maintain the property values in the Subdivision, including by way of example but not by way of limitation: the payment of maintenance or improvement expenses incurred by lighting, streets, sidewalks, paths, alleys, green areas and parks, parkways, esplanades, areas between streets and lot lines, ramps, boat landings, collecting and disposing of garbage, ashes, rubbish and the like, employing policemen and watchmen, providing fire protection, collecting of maintenance charges, enforcement of restrictions, and generally for doing any other thing necessary or desirable in the opinion of the Developer or Committee to maintain or improve the property of the Subdivision. The use of the Maintenance Fund for any of these purposes is permissive and not mandatory and the decision of the Developer or Committee with respect thereto shall be final, so long as made in good faith.

6. In order to secure the payment of the Maintenance Fund charge hereby levied, a vendor's lien shall be and is hereby reserved in the Deed from the Developer to the Purchaser of each lot or portion thereof, which lien shall be enforceable through appropriate judicial proceedings by the Developer or Committee. Said lien shall be deemed subordinate to the lien or liens of any bank side lender which hereafter lends money for the purchase of any property in the Subdivision, and/or for construction (including improvement) and/or permanent financing of improvements on any such

property.

Vol 505 pg 236

7. These provisions as to the Maintenance Fund charge and Maintenance Fund shall continue in effect unless changed in the manner and at the time or times hereinabove provided for effecting changes in the restrictive covenants hereinabove set forth.

8. From and after the filing of the statement provided for in II,2.b. above the Committee shall administer the said Maintenance Fund, subject to VIII, below.

VIII.

TRANSFER OF FUNCTIONS OF THE DEVELOPER

The Developer may at any time hereafter cause one or more non-profit corporations to be organized under the laws of the State of Texas for the purpose of exercising all or any of the duties and prerogatives of the Developer hereunder (including the matters relating to "Maintenance Fund" charges). Any such delegation of authority and duties shall serve to automatically release the Developer from further liability with respect thereto and vest such duties and prerogatives in such non-profit corporations. Any such delegation shall be evidenced by an instrument amending this instrument, placed of record in the Dued Records of Montgomery County, Texas, and joined by the Developer and the aforesaid non-profit corporations but not, however, requiring the joinder of any other person in order to be fully binding, whether such other person be an owner of property in the Subdivision, a lienholder, mortgagee Deed of Trust beneficiary or any other person.

IX.

AMENDMENTS

Any or all of the covenants herein may be annulled, amended or modified at any time by the recommendation of the Developer or the Committee, and ratified by a vote of two-thirds of the lot owners in Subdivision. All such lot owners shall be given thirty (30) days notice in writing of any proposed amendment before same is adopted. There shall be no annulment, amendment or modification of these covenants without the prior recommendation of the Developer or Committee.

805 237

BINDING EFFECT

All of the provisions hereof shall be covenants running with the land thereby affected. The provisions hereof shall be binding upon and inure to the benefit of the owners of the land affected and the Developer and their respective heirs, executors, administrators, successors and assigns.

WITNESS our hands at Houston, Texas on this the 14th day of February, 1973.

CORINTHIAN POINT, LTD.
A Texas Limited Partnership

Dana Richardson

By:

Dana Richardson
President of
DANA RICHARDSON PROPERTIES, INC.
General Partner

THE STATE OF TEXAS)

COUNTY OF HARRIS)

BEFORE ME, the undersigned, a Notary Public in and for said County and State, on this day personally appeared Dana T. Richardson, Jr., President of Dana Richardson Properties, Inc., a Corporation, General Partner of Corinthian Point, Ltd., a Texas Limited Partnership, known to me to be the person and officer whose name is subscribed to the foregoing instrument and acknowledged to me that the same was the act of the said corporation and that he executed the same as the act of such corporation for the purposes and consideration therein expressed, and in the capacity therein stated.

GIVEN UNDER MY HAND AND SEAL OF OFFICE this the 14th day of February A. D. 1973.

Charles M. Kelly
Notary Public In and For
Harris County, Texas

49.300 acres of land out of and a part of the William Weir Survey, Abstract 42, Montgomery County, Texas and being the same land conveyed and described in deed dated September 6, 1968, from L & M Lumber Company, Inc. to J. D. Carlton, Trustee, of record in Volume 639, Page 901, Deed Records of Montgomery County, Texas, and from J. D. Carlton, Trustee to Dana T. Richardson, Jr., Trustee, dated September 1, 1970 and recorded in Volume 717, Page 313, Deed Records of Montgomery County, Texas.

2. The following described tracts of land, to-wit:

TRACT I - Being 77.340 acres of land in the William Weir Survey, Abstract 42, Montgomery County, Texas, and being the same 200 acres of land, more or less, conveyed to Hazel D. Hunt et al by deed dated March 13, 1947 and recorded in Volume 309, Page 93 of Deed Records of Montgomery County, Texas, save and except that certain 124.01 acres conveyed to the San Jacinto River Authority by deed dated May 3, 1969 and recorded in Volume 602, Page 321, Deed Records of Montgomery County, Texas, and being the same 77.34 acres conveyed to Dana T. Richardson, Jr., Trustee by Hazel Hunt, et al by Deed dated May 8, 1970, recorded in Volume 708, Page 429, Deed Records of Montgomery County, Texas.

TRACT II - A strip of land 30 feet in width and being a part of the William Weir Survey, Abstract 42, Montgomery County, Texas and being the same right-of-way easement conveyed by L & M Lumber Company to Hazel D. Hunt, et al by deed dated March 29, 1969 and recorded in Volume 682, Page 481, Deed Records of Montgomery County, Texas and being the same strip conveyed to Dana T. Richardson, Jr., Trustee by Hazel Hunt et al by Deed dated May 8, 1970, recorded in Volume 708, Page 420, Deed Records of Montgomery County, Texas.

3. 76.72 acres of land, more or less, out of and a part of the William Weir Survey, Abstract 42, Montgomery County, Texas, and being the same land described in deed dated October 31, 1969 from L & M Lumber Company, Inc. to Dana T. Richardson, Jr., Trustee and recorded in Volume 696, Page 842, Deed Records of Montgomery County, Texas.
